

Scientific Interest Group (SIG) Meeting

15 March 2023
13:30-15:00 CET

Basel, Switzerland

SIG Workshop on the standardization of animal models of values for AMR

Moderated by

Carina
Vingso-Lundberg

Statens Serum Institut

Chaired
by

Frederik
Deroose

Asclepia
Outsourcing
Solutions

- 13:30** Data catalog and knowledge graph of mouse models used in the AMR Accelerator - Frederik Deroose, Asclepia Outsourcing Solutions
- 13:45** The COMBINE strain repository - Bernhard Kerscher, Paul-Ehrlich-Institut
- 14:00** Standardization of animal models - Rakel Arrazuria, Paul-Ehrlich-Institut
- 14:15** Analgesia during infection and treatment studies - Jon Hansen, Statens Serum Institut
- 14:30** Data requirement from experimental infection models for PK/PD modelling - Diego Vera, Uppsala University
- 14:45** Translational value of mouse models to predict human efficacy of novel molecules - Lena Friberg, Uppsala University
